Powel Crosley Estate

This fantastic 1920's era mansion was built by the famed entrepreneur Powel Crosley, as a winter home for his wife, Gwendolyn, in 1929. The home featured many innovations for its time, including steel framed encased stone, embedded pipes and wiring and a 135 day construction schedule. Placed on the National Register of Historic Places in 1982, the estate was saved from commercial development and purchased by Manatee County, which operates it as a meeting space, conference and event venue.

The 21 room, two and a half story Mediterranean mansion boasts 11,000 sq. ft. of meeting space overlooking the scenic Sarasota Bay. Just a few minutes away from over 1,000 hotel rooms, numerous attractions, and dozens of restaurants, the Powel Crosley Estate offers beautiful scenery, ambiance and a yacht basin for charters, as well as an outdoor terrace and pavilion.

Conveniently located near the Sarasota Bradenton International Airport (SRQ), and next door to the Hilton Garden and minutes from the Holiday Inn Sarasota-Bradenton Airport, each hotel offers complimentary shuttle service to and from the hotel and the Powel Crosley Estate as well as the Sarasota Bradenton International Airport. This facility features the graceful styling and architecture of a bygone era yet includes all the modern amenities that make for a successful meeting experience!
